WELCOME TO GAABA SPORT

INTRODUCTION

At **GAABA SPORT**, we believe that true performance begins with uncompromising quality. Born in the heart of **Sialkot, Pakistan** — a city globally recognized for its craftsmanship in sports manufacturing. Our brand represents the perfect fusion of tradition, innovation, and precision.

We specialize in premium boxing and MMA equipment engineered to meet the demands of professional fighters, gyms, and athletes worldwide. Every product is developed with a focus on durability, comfort, and performance ensuring reliability in every round, every strike, and every training session.

OUR PHILOSOPHY

We are driven by three core values:

Strength — Built to endure the toughest training and competition environments.

Discipline — Designed with precision, consistency, and attention to detail.

Legacy — Created to support fighters in building their journey and defining their path.

CRAFTSMANSHIP & QUALITY

Each GAABA SPORT product is carefully crafted using high-grade materials and advanced manufacturing techniques. From reinforced stitching to multi-layer padding systems, every detail is engineered to deliver maximum protection and performance.

Our strict quality control ensures that every piece meets international standards — trusted by professionals who demand excellence.

GLOBAL VISION

GAABA SPORT is more than a manufacturer — we are a global partner for brands, distributors, and athletes. Through our OEM and private label services, we empower businesses to create their own identity in the fight industry with confidence and quality.

WHY CHOOSE GAABA SPORT

- Premium materials & durable construction
- Professional-grade performance gear
- Custom manufacturing & private label solutions
- Competitive pricing for global markets
- Reliable production & worldwide delivery

CORE FIGHT GEAR

PRO CLASSIC

HERITAGE LEATHER - OLD SCHOOL WARRIOR SERIES

Crafted from premium leather and inspired by old-school fight culture, the Legacy Leather Series represents the roots of combat training. This is traditional protective gear built for serious training, maximum protection, and timeless durability. Designed for gyms, coaches, and fighters who respect the foundations of the fight game. No flash. No trends. Just pure, reliable protection — the way it has always been.

Engineered for performance and built for durability, our combat training gear delivers uncompromising protection, precision, and power. Designed for athletes, coaches, and fighters at every level, each product combines premium materials with advanced shock absorption to enhance training efficiency and safety. From intense sparring sessions to daily gym routines, this collection represents strength, discipline, and legacy in every strike.
